

Types of Audi navigation systems;

MMI 2G, 3G, 3G Plus, RMC, MMI 4G, MIB, MIB2, MIB3?

The easiest way is to check the software version that is loaded in the system. To do this, enter the car menu by pressing the **CAR** button, then press **SETUP** or **MENU**, then select the **“Version”** submenu and read the value from the line marked with the letters **“SW”**.

On newest cars there’s a different red engineering menu (REM) access key scheme.
